effective date of hire

### 03. APPLICATION TO PARTICIPATE

An Employee who is eligible to participate in this Plan shall, during the applicable Election Period, complete an application to participate in a manner set forth by the Administrator. The election shall be irrevocable until the end of the applicable Plan Year unless the Participant is entitled to change his or her Benefit elections pursuant to the Section titled: "Change in Status".

An Eligible Employee shall also be required to complete a Salary Redirection Agreement during the Election Period for the Plan Year during which he wishes to participate in this Plan. Any such Salary Redirection Agreement shall be effective for the first pay period beginning on or after the Employee's effective date of participation pursuant to the Section titled: "Effective Date of Participation".

Notwithstanding the foregoing, an Employee who is eligible to participate in this Plan and who is covered by the Employer's insured Benefits under this Plan shall automatically become a Participant to the extent of the Premiums for such insurance, unless the Employee elects, during the Election Period, not to participate in the Plan.

### 04. TERMINATION OF PARTICIPATION

A Participant shall no longer participate in this Plan upon the occurrence of any of the following events:

- a. **Termination of employment.** The termination of Participant's employment, subject to the provisions of the Section titled: "Termination of Employment";
- b. **Death.** The Participant's death, subject to the provisions of the Section titled: "Death"; or
- c. **Termination of the plan.** The termination of this Plan, subject to the provisions of the Section titled: "Termination".

### 05. TERMINATION OF EMPLOYMENT

If a Participant's employment with the Employer is terminated for any reason other than death, his or her participation in the Benefit Options provided under the Section titled: "Benefit Options" shall be governed in accordance with the following:

- a. **Insurance Benefit.** With regard to Benefits which are insured, the Participant's participation in the Plan shall cease, subject to the Participant's right to continue coverage under any Insurance Contract for which premiums have already been paid.
- b. **Dependent Care FSA.** With regard to the Dependent Care Flexible Spending Account, the Participant's participation in the Plan shall cease and no further Salary Redirection contributions shall be made. However, such Participant may submit claims for employment-related Dependent Care Expense reimbursements for expenses within 90 days after the date of termination, limited by the balance in the Participant's Dependent Care Flexible Spending Account as of the date of termination.
- c. **Health FSA.** With regard to the Health Flexible Spending Account, the Participant may submit claims for expenses that were incurred during the portion of the Plan Year for which contributions to the Health Flexible Spending Account have already been made. Thereafter, the health benefits under this Plan including the Health Flexible Spending Account, shall be applied and administered consistent with such further rights that a Participant and his or her Dependents may be entitled to pursuant to Code Section 4980B and the Section titled: "Continuation of Coverage" of the Plan.

### 06. REINSTATEMENT OF A FORMER PARTICIPANT

An Employee whose participation terminates and returns to an eligible status less than thirty days later may re-enroll within thirty days of returning to an eligible status with a commencement date of the first of the month following the adjusted eligibility date. An Employee who re-enrolls in a Health Flexible Spending Account or Dependent Care Account after such time must re-enter the Plan and reinstate their original elections for that Plan Year with adjustments to the annual election amount as the Administrator deems necessary to prorate the annual election amount over the remainder of the Plan Year. Expenses incurred by the employee during the time that the employee was not a Participant will not be covered expenses unless COBRA was elected pursuant to the Article titled: "Continuation of Coverage (COBRA)".

Any Employee who terminates employment and is rehired into an eligible status after thirty days from the date of termination will be treated as a new enrollee under the Plan. If such Employee returns within the same Plan Year, prior contributions made to the Health Flexible Spending Account and/or the Dependent Care Account will be taken into consideration so as not to exceed Plan or IRS maximums.

**07. DEATH**

If a Participant dies, his or her participation in the Plan shall immediately cease. However, such Participant's spouse or Dependents may submit claims for expenses or benefits for the remainder of the Plan Year or until the Cafeteria Plan Benefit Dollars allocated to a particular specific benefit are exhausted. In no event may reimbursements be paid to someone who is not a spouse or Dependent. If the Plan is subject to the provisions of Code Section 4980B, then those provisions and related regulations shall apply for purposes of the Health Flexible Spending Account.

---

### **III. ARTICLE - CONTRIBUTIONS TO THE PLAN**

---

#### **01. SALARY REDIRECTION**

Subject to the provisions of the section titled "Employer Contributions," benefits under the Plan shall be financed by Salary Redirections sufficient to support the benefits that a Participant has elected hereunder and to pay the Participant's Premium Expenses. The salary administration program of the Employer shall be revised to allow each Participant to agree to reduce his or her pay during a Plan Year by an amount determined necessary to purchase the elected Benefit Options. The amount of such Salary Redirection shall be specified in the Salary Redirection Agreement and shall be applicable for a Plan Year. Notwithstanding the above, for new Participants, the Salary Redirection Agreement shall only be applicable from the first day of the pay period following the Employee's entry date up to and including the last day of the Plan Year. These contributions shall be converted to Cafeteria Plan Benefit Dollars and allocated to the funds or accounts established under the Plan pursuant to the Participant's elections made under the Section titled: "Initial Elections".

Any Salary Redirection shall be determined prior to the beginning of a Plan Year (subject to initial elections pursuant to the Section titled: "Initial Elections") and prior to the end of the Election Period and shall be irrevocable for such Plan Year. However, a Participant may revoke a Benefit election or a Salary Redirection Agreement after the Plan Year has commenced and make a new election with respect to the remainder of the Plan Year, if both the revocation and the new election are on account of and consistent with a change in status and such other permitted events as determined under the Article titled: "Participant Elections" and are consistent with the rules and regulations of the Department of the Treasury. Salary Redirection amounts shall be contributed on a pro rata basis for each pay period during the Plan Year. All individual Salary Redirection Agreements are deemed to be part of this Plan and incorporated by reference hereunder.

#### **02. APPLICATION OF CONTRIBUTIONS**

As soon as reasonably practical after each payroll period, the Employer shall apply the Salary Redirection to provide the Benefits elected by the affected Participants. Any contribution made or withheld for the Health Flexible Spending Account or Dependent Care Flexible Spending Account shall be credited to such fund or account. Amounts designated for the Participant's Premium Expense Reimbursement Account shall likewise be credited to such account for the purpose of paying Premium Expenses.

#### **03. PERIODIC CONTRIBUTIONS**

Notwithstanding the requirement provided above and in other Articles of this Plan that Salary Redirections be contributed to the Plan by the Employer on behalf of an Employee on a level and pro rata basis for each payroll period, the Employer and Administrator may implement a procedure in which Salary Redirections are contributed throughout the Plan Year on a periodic basis that is not pro rata for each payroll period. However, with regard to the Health Flexible Spending Account, the payment schedule for the required contributions may not be based on the rate or amount of reimbursements during the Plan Year.

#### **04. EMPLOYER CONTRIBUTIONS**

The Employer may provide non-elective contributions in the form of Employer Funding into the Health Flexible Spending Account and Dependent Care Spending Account to the extent as described in the Section Titled: "Limitation on Allocations". Such contributions may be prorated for Participants who begin participating in the middle of the Plan Year. Contributions or matching contributions made to the Health Flexible Spending Account and Dependent Care Spending Account generally do not count toward the annual contribution limit as described in the Section Titled: "Limitation on Allocations".

It is an individual trust or custodial account that Participants open and which may be used to reimburse Participants for eligible medical expenses as set forth in Code Section 223.

## 10. NONDISCRIMINATION REQUIREMENTS

- a. **Intent to be nondiscriminatory.** It is the intent of this Plan to provide benefits to a classification of employees which the Secretary of the Treasury finds not to be discriminatory in favor of the group in whose favor discrimination may not occur under Code Section 125.
- b. **25% concentration test.** It is the intent of this Plan not to provide qualified benefits as defined under Code Section 125 to Key Employees in amounts that exceed 25% of the aggregate of such Benefits provided for all Eligible Employees under the Plan. For purposes of the preceding sentence, qualified benefits shall not include benefits which (without regard to this paragraph) are includible in gross income.
- c. **Adjustment to avoid test failure.** If the Administrator deems it necessary to avoid discrimination or possible taxation to Key Employees or a group of employees in whose favor discrimination is prohibited by Code Section 125, it may, but shall not be required to, reduce contributions or non-taxable Benefits in order to assure compliance with this Section. Any act taken by the Administrator under this Section shall be carried out in a uniform and nondiscriminatory manner. If the Administrator decides to reduce contributions or non-taxable Benefits, it shall be done in the following manner. First, the non-taxable Benefits of the affected Participant (either an employee who is highly compensated or a Key Employee, whichever is applicable) who has the highest amount of non-taxable Benefits for the Plan Year shall have his or her non-taxable Benefits reduced until the discrimination tests set forth in this Section are satisfied or until the amount of his or her non-taxable Benefits equals the non-taxable Benefits of the affected Participant who has the second highest amount of non-taxable Benefits. This process shall continue until the nondiscrimination tests set forth in this Section are satisfied. With respect to any affected Participant who has had Benefits reduced pursuant to this Section, the reduction shall be made proportionately among Health Flexible Spending Account Benefits and Dependent Care Flexible Spending Account Benefits, and once all these Benefits are expended, proportionately among insured Benefits. Contributions which are not utilized to provide Benefits to any Participant by virtue of any administrative act under this paragraph shall be forfeited and deposited into the benefit plan surplus.

## 11. NON-TAX DEPENDENT COVERAGE

- a. If (i) Employee Salary Redirections are made to fund Benefits under the Plan, and (ii) the Employer allows a Participant to elect to cover a Non-Tax Dependent through the Participant's coverage under group Medical, Dental or Vision benefit(s), a Participant who elects to participate in the Salary Redirection program may pay on a pre-tax basis through salary reduction contributions the Participant's portion of the premium cost of coverage under the Employer's Medical, Dental or Vision Benefits, provided that the full fair market

value of such Medical, Dental or Vision coverage for any such Non-Tax Dependent shall be includible in the Participant's gross income as a taxable benefit in accordance with applicable federal income tax rules. For purposes of this Plan, the Participant electing coverage for Non-Tax Dependent(s) shall be treated as receiving, at the time that coverage is received, cash compensation equal to the full fair market value of such coverage and then as having purchased the coverage with after-tax employee contributions.

- b. Notwithstanding the foregoing, no medical care or dependent care expenses incurred by or with respect to a Non-Tax Dependent of a Participant shall be eligible for reimbursement as eligible expenses under the Health Flexible Spending Account or Dependent Care Flexible Spending Account.

---

## V. ARTICLE - PARTICIPANT ELECTIONS

---

### 01. INITIAL ELECTIONS

An Employee who meets the eligibility requirements of the Section titled: "Eligibility" on the first day of, or during, a Plan Year may elect to participate in this Plan for all or the remainder of such Plan Year, provided he elects to do so on or before his or her effective date of participation pursuant to the Section titled: "Effective Date of Participation".

Notwithstanding the foregoing, an Employee who is eligible to participate in this Plan and who is covered by the Employer's insured benefits under this Plan shall automatically become a Participant to the extent of the Premiums for such insurance unless the Employee elects, during the Election Period, not to participate in the Plan.

### 02. SUBSEQUENT ANNUAL ELECTIONS

During the Election Period prior to each subsequent Plan Year, each Participant shall be given the opportunity to elect, on an election of benefits form or electronically, as provided by the Administrator, which spending account Benefit options he wishes to participate in. Any such election shall be effective for any Benefit expenses incurred during the Plan Year which immediately follows the end of the Election Period. With regard to subsequent annual elections, the following options shall apply:

- a. A Participant or Employee who failed to initially elect to participate may elect different or new Benefits under the Plan during the Election Period;
- b. A Participant may terminate his or her participation in the Plan by notifying the Administrator in writing or by electronic notification, as determined by the Employer, during the Election Period that he does not want to participate in the Plan for the next Plan Year;
- c. An Employee who elects not to participate for the Plan Year following the Election Period will have to wait until the next Election Period before again electing to participate in the Plan, except as provided for in the Section titled: "Change of Status".

### 03. FAILURE TO ELECT

With regard to Benefits available under the Plan for which no Premium Expenses apply, any Participant who fails to complete a new benefit election pursuant to the Section titled: "Subsequent Annual Elections" by the end of the applicable Election Period shall be deemed to have elected not to participate in the Plan for the upcoming Plan Year. No further Salary Redirections shall therefore be authorized or made for the subsequent Plan Year for such Benefits, subject to the provisions of the Section titled: "Change in Status" below.

With regard to Benefits available under the Plan for which Premium Expenses apply, any Participant who fails to complete a new benefit election pursuant to the Section titled: "Subsequent Annual Elections" by the end of the applicable Election Period shall be deemed to have made the same Benefit elections as are then in effect for the current Plan Year. The Participant shall also be deemed to have elected Salary Redirection in an amount necessary to purchase such Benefit options.

### 04. CHANGE IN STATUS

- a. **Change in status defined.** Any Participant may change a Benefit election after the Plan Year (to which such election relates) has commenced and make new elections with respect to the remainder of such Plan Year if, under the facts and circumstances, the changes are necessitated by and are consistent with a change in status which is acceptable under rules and regulations adopted by the Department of the Treasury, the provisions of which are incorporated by reference. Notwithstanding anything herein to the contrary, if the rules and regulations conflict with any of the provisions of this Plan, then such rules and regulations shall control. See below in this Section for other situations in which changes in Benefit elections are permitted.

In general, a change in election is not consistent if the change in status is the Participant's divorce, annulment or legal separation from a Spouse, the death of a Spouse or Dependent, or a Dependent's ceasing to satisfy the eligibility requirements for coverage, and the Participant's election under the Plan is to cancel accident or health insurance coverage for any individual other than the one involved in such event. In addition, if the Participant, Spouse or Dependent gains eligibility for coverage under any other plan, then a Participant's election under the Plan to cease or decrease coverage for that individual under the Plan is consistent with that change in status only if coverage for that individual becomes applicable or is increased under said other plan. Also, if the Participant, Spouse or Dependent loses eligibility for coverage under any other plan, then a Participant's election under the Plan to start or increase coverage for that individual under the Plan is consistent with that change in

status only if coverage for that individual ceases or is decreased under said other plan.

Regardless of the consistency requirement, if the individual, or the individual's Spouse or Dependent, becomes eligible for continuation coverage under the Employer's group health plan as provided in Code Section 4980B or any similar state law, then the individual may elect to increase payments under this Plan in order to pay for the continuation coverage. However, this does not apply for COBRA eligibility due to divorce, annulment or legal separation.

Any new election shall be effective at such time as the Administrator shall prescribe, but not earlier than the first pay period beginning after the election form is completed and returned to the Administrator. For the purposes of this subsection, a change in status shall only include the following events or other events permitted by Treasury regulations:

1. **Legal Marital Status:** events that change a Participant's legal marital status, including marriage, divorce, death of a Spouse, legal separation or annulment;
2. **Number of Dependents:** Events that change a Participant's number of Dependents, including birth, adoption, placement for adoption, or death of a Dependent;
3. **Employment Status:** Any of the following events that change the employment status of the Participant, Spouse, or Dependent: termination or commencement of employment, a strike or lockout, commencement or return from an unpaid leave of absence, or a change in worksite. In addition, if the eligibility conditions of this Plan or other employee benefit plan of the Employer of the Participant, Spouse, or Dependent depend on the employment status of that individual and there is a change in that individual's employment status with the consequence that the individual becomes (or ceases to be) eligible under the plan, then that change constitutes a change in employment under this subsection;
4. **Dependent satisfies or ceases to satisfy the eligibility requirements:** An event that causes the Participant's Dependent to satisfy or cease to satisfy the requirements for coverage due to attainment of age, student status, or any similar circumstance; and
5. **Residency:** A change in the place of residence of the Participant, Spouse or Dependent, that would lead to a change in status (such as a loss of HMO coverage).

For the Dependent Care Flexible Spending Account, a Dependent becoming or ceasing to be a "Qualifying Dependent" as defined under Code Section 21(b) shall also qualify as a change in status.

Notwithstanding anything in this Section to the contrary, the gain of eligibility or change in eligibility of a child, as allowed under Code Sections 105(b) and 106, and IRS Notice 2010-38, shall qualify as a change in status.

- b. **Special enrollment rights.** Notwithstanding subsection (a), the Participants may change an election for accident or health coverage during a Plan Year and make a new election that corresponds with the special enrollment rights provided in Code Section 9801(f), including those authorized under the provisions of the Children's Health Insurance Program Reauthorization Act of 2009 (SCHIP), provided that such Participant meets the sixty (60) day notice requirement imposed by Code Section 9801(f) (or such longer period as may be permitted by the Plan and communicated to Participants). Such change shall take place on a prospective basis, unless otherwise required by Code Section 9801(f) to be retroactive.
- c. **Qualified Medical Support Order.** Notwithstanding subsection (a), in the event of a judgment, decree, or order (including approval of a property settlement) (collectively, an "order") resulting from a divorce, legal separation, annulment, or change in legal custody (including a qualified medical child support order) that requires accident or health coverage for a Participant's child (including a foster child who is a Dependent of the Participant):
  1. The Plan may change an election to provide coverage for the child if the order requires coverage under the Participant's plan; or
  2. The Participant shall be permitted to change an election to cancel coverage for the child if the order requires the former Spouse to provide coverage for such child, under that individual's plan, and such coverage is actually provided.
- d. **Medicare or Medicaid.** Notwithstanding subsection (a), a Participant may change elections to cancel accident or health coverage for the Participant or the Participant's Spouse or Dependent if the Participant or the Participant's Spouse or Dependent is enrolled in the accident or health coverage of the Employer and becomes entitled to coverage (i.e., enrolled) under Part A or Part B of Title XVIII of the Social Security Act (Medicare) or Title XIX of the Social Security Act (Medicaid), other than coverage consisting solely of benefits under Section 1928 of the Social Security Act (the program for distribution of pediatric vaccines). If the Participant or the Participant's Spouse or Dependent who has been entitled to Medicaid or Medicare coverage loses eligibility, that individual may prospectively elect coverage under

the Plan if a benefit package option under the Plan provides similar coverage.

- e. **Cost increase or decrease.** Notwithstanding subsection (a), if the cost of a Benefit provided under the Plan increases or decreases during a Plan Year, then the Plan shall automatically increase or decrease, as the case may be, the Salary Redirections of all affected Participants for such Benefit. Alternatively, if the cost of a benefit package option increases significantly, the Administrator shall permit the affected Participants to either make corresponding changes in their payments or revoke their elections and, in lieu thereof, receive on a prospective basis coverage under another benefit package option with similar coverage, or drop coverage prospectively if there is no benefit package option with similar coverage.

A cost increase or decrease refers to an increase or decrease in the amount of elective contributions under the Plan, whether resulting from an action taken by the Participants or an action taken by the Employer.

- f. **Loss of coverage.** Notwithstanding subsection (a), if the coverage under a Benefit is significantly curtailed or ceases during a Plan Year, affected Participants may revoke their elections of such Benefit and, in lieu thereof, elect to receive on a prospective basis coverage under another plan with similar coverage, or drop coverage prospectively if no similar coverage is offered.
- g. **Addition of a new benefit.** Notwithstanding subsection (a), if, during the period of coverage, a new benefit package option or other coverage option is added, an existing benefit package option is significantly improved, or an existing benefit package option or other coverage option is eliminated, then the affected Participants may elect the newly-added option, or elect another option if an option has been eliminated prospectively and make corresponding election changes with respect to other benefit package options providing similar coverage. In addition, those Eligible Employees who are not participating in the Plan may opt to become Participants and elect the new or newly improved benefit package option.
- h. **Loss of coverage under certain other plans.** Notwithstanding subsection (a), a Participant may make a prospective election change to add group health coverage for the Participant, the Participant's Spouse or Dependent if such individual loses group health coverage sponsored by a governmental or educational institution, including a state children's health insurance program under the Social Security Act, the Indian Health Service or a health program offered by an Indian tribal government, a state health benefits risk pool, or a foreign government group health plan.
- i. **Change of coverage due to change under certain other plans.** Notwithstanding subsection (a), a Participant may make a prospective election change that is on account of and corresponds with a change made under the plan of a Spouse, former Spouse's employer or Dependent's employer if (1) the cafeteria plan or other benefits plan of the Spouse, former Spouse's employer or Dependent's employer permits its participants to make a change; or (2) the cafeteria plan permits participants to make an election for a period of coverage that is different from the period of coverage under the cafeteria plan of a Spouse, former Spouse's employer or Dependent's employer.
- j. **Change in dependent care provider.** Notwithstanding subsection (a), a Participant may make a prospective election change that is on account of and corresponds with a change by the Participant in a dependent care provider. The availability of dependent care services from a new dependent care provider is similar to a new benefit package option becoming available. A cost change is allowable in the Dependent Care Flexible Spending Account only if the cost change is imposed by a dependent care provider who is not related to the Participant, as defined in Code Section 152(a)(1) through (8).
- k. Notwithstanding subsection (a), a Participant may prospectively revoke his or her election of group health plan coverage if (i) the Participant changes from full-time employment (i.e., an average of 30 hours of service per week) to part-time employment (i.e., an average of less than 30 hours of service per week), even if the Participant continues to be eligible for coverage under the group health plan, and (ii) the Participant, and any related individuals whose coverage is also to be revoked, intend to enroll in another plan that provides minimum essential coverage and is effective no later than the first day of the second month after the month during which the revocation is effective.
- l. Notwithstanding subsection (a), a Participant may prospectively revoke his or her election of group health plan coverage if (i) the Participant is eligible for a Special Enrollment Period to enroll in a Qualified Health Plan through a Marketplace, or seeks to enroll in a Qualified Health Plan through a Marketplace during the Marketplace's annual open enrollment period, and (ii) the Participant, and any related individuals whose coverage is also to be revoked, intend to enroll in a Qualified Health Plan through a Marketplace that is effective no later than the day immediately following the effective date of the revocation.

- m. **Health Savings Account changes** Notwithstanding subsection (a), with regard to the Health Savings Account Benefit specified in the Article titled: "Benefits", a Participant who has elected to make elective contributions under such arrangement may modify or revoke the election prospectively, provided such change is consistent with Code Section 223 and the Treasury regulations thereunder.
- n. **Health Flexible Spending Account cannot change due to insurance change.** A Participant shall not be permitted to change an election to the Health Flexible Spending Account as a result of a cost or coverage change under any health insurance benefits.

---

### 01. ESTABLISHMENT OF BENEFIT

This Health Flexible Spending Account is intended to qualify as a medical reimbursement plan under Code Section 105 and shall be interpreted in a manner consistent with such Code Section and the Treasury regulations thereunder. Participants who elect to participate in this Health Flexible Spending Account may submit claims for the reimbursement of allowable Medical Expenses. All amounts reimbursed shall be periodically paid from amounts allocated to the Participant's Health Flexible Spending Account. Periodic payments reimbursing Participants from the Health Flexible Spending Account shall in no event occur less frequently than monthly.

### 02. DEFINITIONS

For the purposes of this Article and the Plan, the terms below have the following meanings:

- a. **"Health Flexible Spending Account"** means the account established for a Participant pursuant to this Plan to which part of his or her Cafeteria Plan Benefit Dollars may be allocated and from which all allowable Medical Expenses incurred by the Participant, his or her Spouse and his or her Dependents may be reimbursed.
- b. **"Highly Compensated Participant"** means, for the purposes of this Article and determining discrimination under Code Section 105(h), a participant who is:
  1. one of the 5 highest paid officers;
  2. a shareholder who owns (or is considered to own, applying the rules of Code Section 318) more than 10 percent in value of the stock of the Employer; or
  3. among the highest paid 25 percent of all Employees (other than exclusions permitted by Code Section 105(h)(3)(B) for those individuals who are not Participants).
- c. **"Medical Expenses"** means any expense for medical care within the meaning of the term "medical care" as defined in Code Section 213(d) and the rulings and Treasury regulations thereunder, and not otherwise used by the Participant as a deduction in determining his or her tax liability under the Code. "Medical Expenses" can be incurred by the Participant, his or her Spouse and his or her Dependents. "Incurred" means, with regard to Medical Expenses, when the Participant is provided with the medical care that gives rise to the Medical Expense and not when the Participant is formally billed or charged for, or pays for, the medical care.

A Participant may not be reimbursed for the cost of other health coverage such as premiums paid under plans maintained by the employer of the Participant's Spouse or individual policies maintained by the Participant or his or her Spouse or Dependent.
- d. A Participant may not be reimbursed for "qualified long-term care services" as defined in Code Section 7702B(c).
- e. The definitions of the Article titled: "Plan Definitions" are hereby incorporated by reference to the extent necessary to interpret and apply the provisions of this Health Flexible Spending Account.

### 03. FORFEITURES

The amount in the Health Flexible Spending Account as of the end of the allowable 2.5 month Grace Period, as defined in the Article titled: "Definitions", of the normal Plan Year (including any applicable run-out period and the processing of all claims for such Plan Year pursuant to the Section titled: "Health Flexible Spending Account Claims" hereof) shall be forfeited and credited to the benefit plan surplus. In such event, the Participant shall have no further claim to such amount for any reason.

### 04. LIMITATION ON ALLOCATIONS

Notwithstanding any provision contained in this Health Flexible Spending Account to the contrary, the maximum amount of salary redirections that may be allocated to the Health Flexible Spending Account by a Participant in any Plan Year is \$2,750.00. The maximum limit may increase from year-to-year pursuant to Section 125(i)(2) of the Internal Revenue Code.

### 05. NONDISCRIMINATION REQUIREMENTS

- a. **Intent to be nondiscriminatory.** It is the intent of this Health Flexible Spending Account not to discriminate in violation of the Code and the Treasury regulations thereunder.
- b. **Adjustment to avoid test failure.** If the Administrator deems it necessary to avoid discrimination under this Health Flexible Spending Account, it may, but shall not be required

to, reject any elections or reduce contributions or Benefits in order to assure compliance with this Section. Any act taken by the Administrator under this Section shall be carried out in a uniform and nondiscriminatory manner. If the Administrator decides to reject any elections or reduce contributions or Benefits, it shall be done in the following manner. First, the Benefits designated for the Health Flexible Spending Account by the member of the group in whose favor discrimination may not occur pursuant to Code Section 105 that elected to contribute the highest amount to the fund for the Plan Year shall be reduced until the nondiscrimination tests set forth in this Section and/or the Code are satisfied, or until the amount designated for the fund equals the amount designated for the fund by the member of the group in whose favor discrimination may not occur pursuant to Code Section 105 who has elected the second highest contribution to the Health Flexible Spending Account for the Plan Year. This process shall continue until the nondiscrimination tests set forth in this Section or the Code are satisfied. Contributions which are not utilized to provide Benefits to any Participant by virtue of any administrative act under this paragraph shall be forfeited and credited to the benefit plan surplus.

#### **06. COORDINATION WITH CAFETERIA PLAN**

All Participants under the Plan are eligible to receive Benefits under this Health Flexible Spending Account. Enrollment under the Cafeteria Plan shall constitute enrollment under this Health Flexible Spending Account. In addition, other matters concerning contributions, elections and the like shall be governed by the general provisions of the Cafeteria Plan.

#### **07. HEALTH FLEXIBLE SPENDING ACCOUNT CLAIMS**

- a. **Expenses must be incurred during Plan Year.** All eligible Medical Expenses incurred by a Participant, his or her Spouse and his or her Dependents during the Plan Year shall be reimbursed, subject to the Section titled: "Termination of Employment", even though the submission of such a claim occurs after his or her participation hereunder ceases; but provided that the Medical Expenses were incurred during the applicable Plan Year. Medical Expenses are treated as having been incurred when the Participant is provided with the medical care that gives rise to the medical expenses, not when the Participant is formally billed or charged for, or pays for the medical care.
- b. **Reimbursement available throughout Plan Year.** The Administrator shall direct the reimbursement to each eligible Participant for all allowable Medical Expenses, up to a maximum of the amount designated by the Participant for the Health Flexible Spending Account for the Plan Year. Reimbursements shall be made available to the Participant throughout the year without regard to the level of Cafeteria Plan Benefit Dollars which have been allocated to the fund at any given point in time. Furthermore, a Participant shall be entitled to reimbursements only for amounts in excess of any payments or other reimbursements under any health care plan covering the Participant and/or his or her Spouse or Dependents.
- c. **Payments.** Reimbursement payments under this Plan shall be made directly to the Participant. However, in the Administrator's discretion, payments may be made directly to the service provider. The application for payment or reimbursement shall be made to the Administrator on an acceptable form within a reasonable time after incurring the debt or paying for the service. The application shall include a written statement from an independent third party stating that the Medical Expense has been incurred and the amount of such expense. Furthermore, the Participant shall provide a written statement that the Medical Expense has not been reimbursed or is not reimbursable under any other health plan coverage and, if reimbursed from the Health Flexible Spending Account, such amount will not be claimed as a tax deduction. The Administrator shall retain a file of all such applications.
- d. **Claims for reimbursement.** Claims for the reimbursement of Medical Expenses incurred in any Plan Year shall be paid as soon after a claim has been filed as is administratively practicable; provided however, that if a Participant fails to submit a claim within the 2.5 month Grace Period, as defined in the Article titled: "Definitions" or within 90 days after the end of the Plan Year, that Medical Expense claim shall not be considered for reimbursement by the Administrator. Moreover, if a Participant terminates employment during the Plan Year, claims for the reimbursement of Medical Expenses must be submitted within 90 days after the date of termination.

#### **08. DEBIT AND CREDIT CARDS**

Participants may, subject to a procedure established by the Administrator and applied in a uniform nondiscriminatory manner, use debit and/or credit (stored value) cards ("cards") provided by the Administrator and the Plan for payment of Medical Expenses, subject to the following terms:

- a. **Card only for medical expenses.** Each Participant issued a card shall certify that such card shall only be used for Medical Expenses. The Participant shall also certify that any Medical Expense paid with the card has not already been reimbursed by any other plan covering health benefits and that the Participant will not seek reimbursement from any other

plan covering health benefits.

- b. **Card issuance.** Such card shall be issued upon the Participant's Effective Date of Participation and reissued or remain in effect for each Plan Year the Participant remains a Participant in the Health Flexible Spending Account. Such card shall be automatically cancelled upon the Participant's death or termination of employment, or if such Participant has a change in status that results in the Participant's withdrawal from the Health Flexible Spending Account.
- c. **Maximum dollar amount available.** The dollar amount of coverage available on the card shall be the amount elected by the Participant for the Plan Year. The maximum dollar amount of coverage available shall be the maximum amount for the Plan Year as set forth in the Section titled: "Limitation on Allocations".
- d. **Only available for use with certain service providers.** The cards shall only be accepted by such merchants and service providers as have been approved by the Administrator.
- e. **Card use.** The cards shall only be used for Medical Expense purchases as defined in Code Section 213(d) and the rulings and Treasury regulations thereunder, including, but not limited to, the following:
  - 1. Co-payments for doctor and other medical care;
  - 2. Purchase of drugs prescribed by a health care provider, including, if permitted by the Administrator, over-the-counter medications as allowed under IRS regulations;
  - 3. Purchase of medical items such as eyeglasses, syringes, crutches, etc.
- f. **Substantiation.** Such purchases by the cards shall be subject to confirmation by the Administrator, usually by requiring the Participant to submit a receipt from a service provider describing the service, the date and the amount. The Administrator shall also follow the requirements set forth in Revenue Ruling 2003-43 and Notice 2006-69. All charges shall be conditional pending confirmation by the Administrator.
- g. **Correction methods.** If such purchase is later determined by the Administrator to not qualify as a Medical Expense, the Administrator, in its discretion, shall use one of the following correction methods to make the Plan whole. Until the amount is repaid, the Administrator shall take further action to ensure that further violations of the terms of the card do not occur, up to and including denial of access to the card.
  - 1. Repayment of the improper amount by the Participant;
  - 2. Withholding the improper payment from the Participant's wages or other compensation to the extent consistent with applicable federal and state law;
  - 3. Claims substitution or offset of future claims until the amount is repaid; and
  - 4. If subsections (1) through (3) fail to recover the amount, consistent with the Employer's business practices, the Employer may treat the amount as any other business indebtedness.

Employment-Related Dependent Care Expenses are treated as having been incurred when the Participant's Qualifying Dependents are provided with the dependent care that gives rise to the Employment-Related Dependent Care Expenses, not when the Participant is formally billed or charged for, or pays for, the dependent care. The determination of whether an amount qualifies as an Employment-Related Dependent Care Expense shall be made subject to the following rules:
  1. If such amounts are paid for expenses incurred outside the Participant's household, they shall constitute Employment Related Dependent Care Expenses only if incurred for a Qualifying Dependent (as defined in the "Definitions" Section of the Article titled: "Dependent Care Flexible Spending Account") who regularly spends at least eight (8) hours per day in the Participant's household;
  2. If the expense is incurred outside the Participant's home at a facility that provides care for a fee, payment, or grant for more than six (6) individuals who do not regularly reside at the facility, the facility must comply with all applicable state and local laws and regulations, including licensing requirements, if any; and

  2. a Dependent or Spouse of a Participant who is physically or mentally incapable of caring for himself or herself and has the same principal place of abode as the Participant for more than one-half of such taxable year; or
  3. a child that is deemed to be a Qualifying Dependent described in paragraph (1) or (2) above, whichever is appropriate, pursuant to Code Section 21(e)(5).
- e. The definitions of the Article titled: "Definitions" are hereby incorporated by reference to the extent necessary to interpret and apply the provisions of this Dependent Care Flexible Spending Account.

The Administrator shall establish a Dependent Care Flexible Spending Account for each Participant

who elects to apply Cafeteria Plan Benefit Dollars to Dependent Care Flexible Spending Account benefits.

**04. INCREASES IN DEPENDENT CARE FLEXIBLE SPENDING ACCOUNTS**

**05. DECREASES IN DEPENDENT CARE FLEXIBLE SPENDING ACCOUNTS**

A Participant's Dependent Care Flexible Spending Account shall be reduced by the amount of any Employment-Related Dependent Care Expense reimbursements paid or incurred on behalf of the Participant pursuant to the Section titled: "Dependent Care Flexible Spending Account Claims" hereof.

Subject to limitations contained in the Section titled: "Limitation on Payments" below, and to the extent of the amount contained in the Participant's Dependent Care Flexible Spending Account, a Participant who incurs Employment-Related Dependent Care Expenses shall be entitled to receive from the Employer full reimbursement for the entire amount of such expenses incurred during the Plan Year or portion thereof during which he is a Participant.

**07. ANNUAL STATEMENT OF BENEFITS**

On or before January 31st of each calendar year, the Employer shall furnish to each Employee who was a Participant and received benefits under the Section titled: "Definitions" during the prior calendar year, a statement of all such benefits paid to or on behalf of such Participant during the prior calendar year. This statement is set forth on the Participant's Form W-2.

**08. FORFEITURES**

The amount in the Participant's Dependent Care Flexible Spending Account as of the end of the allowable 2.5 month Grace Period, as defined in the Article titled: "Definitions", of the normal Plan Year (and after the applicable run-out period and processing of all claims for such Plan Year pursuant to the Section titled: "Dependent Care Flexible Spending Account Claims" hereof) shall be forfeited and credited to the benefit plan surplus. In such event, the Participant shall have no further claim to such amount for any reason.

**09. LIMITATION ON PAYMENTS**

- a. **Code limits.** Notwithstanding any provision contained in this Article to the contrary, amounts paid from a Participant's Dependent Care Flexible Spending Account in or on account of any tax year of the Participant shall not exceed the lesser of the Earned Income limitation described in Code Section 129(b) and \$5,000.00 (\$2,500 if a separate tax return is filed by a Participant who is married as determined under the rules of paragraphs (3) and (4) of Code Section 21(e)).

**10. NONDISCRIMINATION REQUIREMENTS**

- a. **Intent to be nondiscriminatory.** It is the intent of this Dependent Care Flexible Spending Account that contributions or benefits not discriminate in favor of the group of employees in whose favor discrimination is prohibited under Code Section 129(d).

- c. **Adjustment to avoid test failure.** If the Administrator deems it necessary to avoid discrimination or possible taxation to a group of employees in whose favor discrimination is prohibited by Code Section 129, it may, but shall not be required to, reject any elections or reduce contributions or non-taxable benefits in order to assure compliance with this Section. Any act taken by the Administrator under this Section shall be carried out in a uniform and nondiscriminatory manner. If the Administrator decides to reject any elections or reduce contributions or Benefits, it shall be done in the following manner. First, the Benefits designated for the Dependent Care Flexible Spending Account by the affected Participant that elected to contribute the highest amount to such account for the Plan Year shall be reduced until the nondiscrimination tests set forth in this Section are satisfied, or until the amount designated for the account equals the amount designated for the account of the affected Participant who has elected the second highest contribution to the Dependent Care Flexible Spending Account for the Plan Year. This process shall continue until the

nondiscrimination tests set forth in this Section are satisfied. Contributions which are not utilized to provide Benefits to any Participant by virtue of any administrative act under this paragraph shall be forfeited.

#### **11. COORDINATION WITH CAFETERIA PLAN**

All Participants under the Cafeteria Plan are eligible to receive Benefits under this Dependent Care Flexible Spending Account. The enrollment and termination of participation under the Cafeteria Plan shall constitute enrollment and termination of participation under this Dependent Care Flexible Spending Account. In addition, other matters concerning contributions, elections and the like shall be governed by the general provisions of the Cafeteria Plan.

#### **12. DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT CLAIMS**

The Administrator shall direct the payment of all qualified Dependent Care claims to the Participant upon the presentation to the Administrator of documentation of such expenses in a form satisfactory to the Administrator. However, in the Administrator's discretion, payments may be made directly to the service provider. In its discretion in administering the Plan, the Administrator may utilize forms and require documentation of costs as may be necessary to verify the claims submitted. At a minimum, the form shall include a statement from an independent third party as proof that the expense has been incurred during the Plan Year and the amount of such expense. In addition, the Administrator may require that each Participant who desires to receive reimbursement under this Program for Employment-Related Dependent Care Expenses submit a statement which may contain some or all of the following information:

- a. The Dependent or Dependents for whom the services were performed;
- b. The nature of the services performed for the Dependent, the cost of which the Participant wishes reimbursement;

- g. If the services were being performed in a day care center, a statement:
  1. that the day care center complies with all applicable laws and regulations of the state of residence,
  2. that the day care center provides care for more than 6 individuals (other than individuals residing at the center), and

---

### 01. **PLAN ADMINISTRATION**

The Employer shall be the Administrator, unless the Employer elects otherwise. The Employer may appoint any person or persons, including, but not limited to, one or more Employees of the Employer, to perform the duties of the Administrator. Any person so appointed shall signify acceptance by filing written acceptance with the Employer. The Administrator shall have full power and discretion to administer the Plan in all of its details and determine all questions arising in connection with the administration, interpretation, and application of the Plan. This authority specifically permits the Administrator to settle disputed claims for benefits and any other disputed claims made against the Plan;
- h. To establish and communicate procedures to determine whether a medical child support order is qualified; and
- i. To appoint such agents, counsel, accountants, consultants, and other persons or entities as may be required to assist in administering the Plan.

Any procedure, discretionary act, interpretation or construction taken by the Administrator shall be done in a nondiscriminatory manner based upon uniform principles consistently applied and shall be consistent with the intent that the Plan shall continue to comply with the terms of Code Section 125 and the Treasury regulations thereunder.

### 02. **EXAMINATION OF RECORDS**

The Administrator shall make available to each Participant, Eligible Employee and any other Employee of the Employer, for examination at reasonable times during normal business hours, such records as pertain to their interest under the Plan.

Any reasonable administrative expenses shall be paid by the Employer unless the Employer determines that administrative costs shall be borne by the Participants under the Plan or by any Trust Fund which may be established hereunder. The Administrator may impose reasonable conditions for payments, provided that such conditions shall not discriminate in favor of highly compensated employees.

**04. INSURANCE CONTROL CLAUSE**

In the event of a conflict between the terms of this Plan and the terms of an Insurance Contract of an independent third party Insurer or other benefit program that is self-insured whose product is then being used in conjunction with this Plan, the terms of the Insurance Contract shall control as to those Participants receiving coverage under such Insurance Contract. For this purpose, the Insurance Contract shall control in defining the persons eligible for insurance, the dates of their eligibility, the conditions which must be satisfied to become insured, if any, the benefits Participants are entitled to and the circumstances under which insurance terminates.

**05. INDEMNIFICATION OF ADMINISTRATOR**

The Employer agrees to indemnify and to defend to the fullest extent permitted by law any Employee serving as the Administrator or as a member of a committee designated as Administrator (including any Employee or former Employee who previously served as Administrator or as a member of such committee) against all liabilities, damages, costs and expenses (including attorney's fees and amounts paid in settlement of any claims approved by the Employer) occasioned by any act or omission to act in connection with the Plan, if such act or omission is in good faith.

---

**IX. ARTICLE - AMENDMENT OR TERMINATION OF PLAN**

---

**01. AMENDMENT**

The Employer, at any time or from time to time, may amend any or all of the provisions of the Plan without the consent of any Employee or Participant. No amendment shall have the effect of modifying any benefit election of any Participant in effect at the time of such amendment, unless such amendment is made to comply with Federal, state and local laws, statutes and regulations.

**02. TERMINATION**

The Employer reserves the right to terminate this Plan, in whole or in part, at any time. In the event the Plan is terminated, no further contributions shall be made. Benefits under any Insurance Contract shall be paid in accordance with the terms of the Insurance Contract.

No further additions shall be made to the Health Flexible Spending Account or Dependent Care Flexible Spending Account, but all payments from such accounts shall continue to be made according to the elections in effect until 90 days after the termination date of the Plan. Any amounts remaining in any such fund or account as of the end of such period shall be forfeited and deposited in the benefit plan surplus after the expiration of the filing period.

---

## X. **ARTICLE - MISCELLANEOUS**

---

### 01. **PLAN INTERPRETATION**

All provisions of this Plan shall be interpreted and applied in a uniform, nondiscriminatory manner. This Plan shall be read in its entirety and not severed except as provided in the Section titled: "Severability".

### 02. **GENDER AND NUMBER**

Wherever any words are used herein in the masculine, feminine or neuter gender, they shall be construed as though they were also used in another gender in all cases where they would so apply, and whenever any words are used herein in the singular or plural form, they shall be construed as though they were also used in the other form in all cases where they would so apply.

### 03. **WRITTEN DOCUMENT**

This Plan, in conjunction with any separate written document which may be required by law, is intended to satisfy the written Plan requirement of Code Section 125 and any Treasury regulations thereunder relating to cafeteria plans.

### 04. **EXCLUSIVE BENEFIT**

This Plan shall be maintained for the exclusive benefit of the Employees who participate in the Plan.

### 05. **PARTICIPANT'S RIGHTS**

This Plan shall not be deemed to constitute an employment contract between the Employer and any Participant or to be a consideration or an inducement for the employment of any Participant or Employee. Nothing contained in this Plan shall be deemed to give any Participant or Employee the right to be retained in the service of the Employer or to interfere with the right of the Employer to discharge any Participant or Employee at any time regardless of the effect which such discharge shall have upon him as a Participant of this Plan.

### 06. **ACTION BY THE EMPLOYER**

Whenever the Employer under the terms of the Plan is permitted or required to do or perform any act or matter or thing, it shall be done and performed by a person duly authorized by the Employer.

### 07. **EMPLOYER'S PROTECTIVE CLAUSES**

- a. **Insurance purchase.** Upon the failure of either the Participant or the Employer to obtain the insurance contemplated by this Plan (whether as a result of negligence, gross neglect or otherwise), the Participant's Benefits shall be limited to the insurance premium(s), if any, that remained unpaid for the period in question and the actual insurance proceeds, if any, received by the Employer or the Participant as a result of the Participant's claim.
- b. **Validity of insurance contract.** The Employer shall not be responsible for the validity of any Insurance Contract issued hereunder or for the failure on the part of the Insurer to make payments provided for under any Insurance Contract. Once insurance is applied for or obtained, the Employer shall not be liable for any loss which may result from the failure to pay Premiums to the extent Premium notices are not received by the Employer.

### 08. **NO GUARANTEE OF TAX CONSEQUENCES**

Neither the Administrator nor the Employer makes any commitment or guarantee that any amounts paid to or for the benefit of a Participant under the Plan will be excludable from the Participant's gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply to or be available to any Participant. It shall be the obligation of each Participant to determine whether each payment under the Plan is excludable from the Participant's gross income for federal and state income tax purposes, and to notify the Employer if the Participant has reason to believe that any such payment is not so excludable. Notwithstanding the foregoing, the rights of Participants under this Plan shall be legally enforceable.

### 09. **INDEMNIFICATION OF EMPLOYER BY PARTICIPANTS**

If any Participant receives one or more payments or reimbursements under the Plan that are not for a permitted Benefit, such Participant shall indemnify and reimburse the Employer for any liability it may incur for failure to withhold federal or state income tax or Social Security tax from such payments or reimbursements. However, such indemnification and reimbursement shall not exceed the amount of additional federal and state income tax (plus any penalties) that the Participant would have owed if the payments or reimbursements had been made to the Participant

as regular cash compensation, plus the Participant's share of any Social Security tax and Medicare tax that would have been paid on such compensation, less any such additional income tax, Social Security tax, and Medicare tax actually paid by the Participant.

#### 10. **FUNDING**

Unless otherwise required by law, contributions to the Plan need not be placed in trust or dedicated to a specific Benefit, but may instead be considered general assets of the Employer. Furthermore, and unless otherwise required by law, nothing herein shall be construed to require the Employer or the Administrator to maintain any fund or segregate any amount for the benefit of any Participant, and no Participant or other person shall have any claim against, right to, or security or other interest in, any fund, account or asset of the Employer from which any payment under the Plan may be made.

#### 11. **GOVERNING LAW**

This Plan is governed by the Code and the Treasury regulations issued thereunder (as they might be amended from time to time). In no event does the Employer guarantee the favorable tax treatment sought by this Plan. To the extent not preempted by Federal law, the provisions of this Plan shall be construed, enforced and administered according to the laws of Arkansas.

#### 12. **SEVERABILITY**

If any provision of the Plan is held invalid or unenforceable, its invalidity or unenforceability shall not affect any other provisions of the Plan, and the Plan shall be construed and enforced as if such provision had not been included herein.

#### 13. **CAPTIONS**

The captions contained herein are inserted only as a matter of convenience and for reference, and in no way define, limit, enlarge or describe the scope or intent of the Plan, nor in any way shall affect the Plan or the construction of any provision thereof.

#### 14. **FAMILY AND MEDICAL LEAVE ACT (FMLA)**

Notwithstanding anything in the Plan to the contrary, in the event any benefit under this Plan becomes subject to the requirements of the Family and Medical Leave Act and regulations thereunder, this Plan shall be operated in accordance with Regulation 1.125-3.

#### 15. **HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)**

Notwithstanding anything in this Plan to the contrary, this Plan shall be operated in accordance with HIPAA and regulations thereunder.

#### 16. **UNIFORM SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)**

Notwithstanding any provision of this Plan to the contrary, contributions, benefits and service credit with respect to qualified military service shall be provided in accordance with the Uniform Services Employment And Reemployment Rights Act (USERRA) and the regulations thereunder.

#### 17. **COMPLIANCE WITH HIPAA PRIVACY STANDARDS**

- a. **Application.** If any benefits under this Cafeteria Plan are subject to the Standards for Privacy of Individually Identifiable Health Information (45 CFR Part 164, the "Privacy Standards"), then this Section shall apply.
- b. **Disclosure of PHI.** The Plan shall not disclose Protected Health Information to any member of the Employer's workforce unless each of the conditions set out in this Section are met. "Protected Health Information" shall have the same definition as set forth in the Privacy Standards but generally shall mean individually identifiable information about the past, present or future physical or mental health or condition of an individual, including information about treatment or payment for treatment.
- c. **PHI disclosed for administrative purposes.** Protected Health Information disclosed to members of the Employer's workforce shall be used or disclosed by them only for purposes of Plan administrative functions. The Plan's administrative functions shall include all Plan payment functions and health care operations. The terms "payment" and "health care operations" shall have the same definitions as set out in the Privacy Standards, but the term "payment" generally shall mean activities taken to determine or fulfill Plan responsibilities with respect to eligibility, coverage, provision of benefits, or reimbursement for health care. Genetic information will not be used or disclosed for underwriting purposes.
- d. **PHI disclosed to certain workforce members.** The Plan shall disclose Protected Health Information only to members of the Employer's workforce who are authorized to receive such Protected Health Information, and only to the extent and in the minimum amount necessary

for that person to perform his or her duties with respect to the Plan. "Members of the Employer's workforce" shall refer to all employees and other persons under the control of the Employer. The Employer shall keep an updated list of those authorized to receive Protected Health Information.

1. An authorized member of the Employer's workforce who receives Protected Health Information shall use or disclose the Protected Health Information only to the extent necessary to perform his or her duties with respect to the Plan.
2. In the event that any member of the Employer's workforce uses or discloses Protected Health Information other than as permitted by this Section and the Privacy Standards, the incident shall be reported to the Plan's privacy officer. The privacy officer shall take appropriate action, including:
  - i. investigation of the incident to determine whether the breach occurred inadvertently, through negligence or deliberately; whether there is a pattern of breaches; and the degree of harm caused by the breach;
  - ii. appropriate sanctions against the persons causing the breach which, depending upon the nature of the breach, may include oral or written reprimand, additional training, or termination of employment;
  - iii. mitigation of any harm caused by the breach, to the extent practicable; and
  - iv. documentation of the incident and all actions taken to resolve the issue and mitigate any damages.
- e. **Certification.** The Employer must and hereby does provide certification to the Plan that it agrees to adopt all required provisions as mandated under HIPAA for all non-exempt group health plans, including the following:
  1. Not use or further disclose the information other than as permitted or required by the Plan documents or as required by law;
  2. Ensure that any agent or subcontractor, to whom it provides Protected Health Information received from the Plan, agrees to the same restrictions and conditions that apply to the Employer with respect to such information;
  3. Not use or disclose Protected Health Information for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of the Employer;
  4. Report to the Plan any use or disclosure of the Protected Health Information of which it becomes aware that is inconsistent with the uses or disclosures permitted by this Section, or required by law;
  5. Make available Protected Health Information to individual Plan members in accordance with Section 164.524 of the Privacy Standards;
  6. Make available Protected Health Information for amendment by individual Plan members and incorporate any amendments to Protected Health Information in accordance with Section 164.526 of the Privacy Standards;
  7. Make available the Protected Health Information required to provide an accounting of disclosures to individual Plan members in accordance with Section 164.528 of the Privacy Standards;
  8. Make its internal practices, books and records relating to the use and disclosure of Protected Health Information received from the Plan available to the Department of Health and Human Services for purposes of determining compliance by the Plan with the Privacy Standards;
  9. If feasible, return or destroy all Protected Health Information received from the Plan that the Employer still maintains in any form, and retain no copies of such information when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and
  10. Ensure the adequate separation between the Plan and members of the Employer's workforce, as required by Section 164.504(f)(2)(iii) of the Privacy Standards.

#### **18. COMPLIANCE WITH HIPAA ELECTRONIC SECURITY STANDARDS**

Under the Security Standards for the Protection of Electronic Protected Health Information (45 CFR Part 164.300 et. seq., the "Security Standards"):

- a. **Implementation.** The Employer agrees to implement reasonable and appropriate administrative, physical and technical safeguards to protect the confidentiality, integrity and availability of Electronic Protected Health Information that the Employer creates, maintains or transmits on behalf of the Plan. "Electronic Protected Health Information" shall have the same definition as set out in the Security Standards, but generally shall mean Protected Health Information that is transmitted by or maintained in electronic media.
- b. **Agents or subcontractors shall meet security standards.** The Employer shall ensure that any agent or subcontractor to whom it provides Electronic Protected Health Information shall agree, in writing, to implement reasonable and appropriate security measures to protect the Electronic Protected Health Information.

## Arkansas State University System FSA Plan

### INTRODUCTION

The Company's Flexible Benefit Plan ("Plan") has been established to allow Eligible Employees to pay for certain benefits on a pre-tax basis. There are specific benefits that you may elect, and they are outlined in this Summary Plan Description. You will also be informed about other important information concerning the Plan, such as the conditions you must satisfy before you can join and the laws that protect your rights.

Read this Summary Plan Description ("SPD") carefully so that you understand the provisions of the Plan and the benefits you will receive. This SPD describes the Plan's benefits and obligations as contained in the Plan document, which governs the operation of the Plan. The Plan document is written in much more technical language. Please note that if the non-technical language in this SPD and the legal language of the Plan document conflict, the Plan document will always govern the Plan. Also, if there is a conflict between any of the insurance contracts and either the Plan document or this Summary Plan Description, the insurance contracts will control the respective insurance policies. If you wish to receive a copy of the legal Plan document, please contact the Plan Administrator.

The Plan is subject to the Internal Revenue Code and other federal and state laws and regulations that may affect your rights under this plan. This SPD explains the current details of the Plan in order to comply with all applicable legal requirements. From time to time, the Plan may be revised due to a change in laws or due to pronouncements by the Internal Revenue Service (IRS) or other federal agencies. This Plan may be amended or terminated by the Company. If the Plan is ever amended or changed, the Company will notify you.

This SPD was designed to provide you with information regarding the Company Flexible Benefit Plan. If this SPD does not answer all of your questions, please contact the Administrator (or other assigned person). The name and address of the Administrator can be found in the Article of this SPD entitled "General Information About our Plan."

---

### I. **ARTICLE - ELIGIBILITY**

---

#### 01. **How can I participate in the Plan?**

Before you can become a Participant in the Plan, there are certain conditions that you must satisfy. First, you must be an active employee working 30 or more hours per week or 130 hours per month and meet the eligibility requirements.

After that, you must enroll in the Plan on the "entry date" that has been established for all employees. The "entry date" is defined in Question 3 below. However, in certain limited situations, you may enroll in the Plan at other times as well. See the Article titled: "Contributions".

#### 02. **What are the eligibility requirements for our Plan?**

You will be eligible to join the Plan once you have satisfied the conditions for coverage under our group medical plan and the other eligibility requirements established by your employer as defined in section I.

#### 03. **When can I enter the plan?**

An Eligible Employee shall become a Participant when the following condition(s) is/are met:  
effective date of hire

#### 04. **How do I enroll in the Plan?**

Before you can join the Plan, you must complete an enrollment form. The enrollment form will allow you to select which benefits you want to participate in under the Plan. This form will also authorize the Company to redirect some of your earnings in order to pay for the benefits you select.

However, if you are already covered under any of the insured benefits, you will automatically participate in this Plan to the extent of your premiums unless you elect not to participate in this Plan. These benefits are listed in the Article titled: "Benefits".

## **II. ARTICLE - OPERATION**

### **01. How does this Plan operate?**

Before the start of each Plan Year, you will be able to elect to have some of your earnings contributed to the Plan. These amounts will be used to pay for the benefits you have chosen. The portion of your earnings that is paid to the Plan is not subject to Federal income or Social Security taxes. In other words, this allows you to use tax-free dollars to pay for certain kinds of benefits and expenses that you normally pay for with out-of-pocket, taxable dollars. However, if you receive a reimbursement for an expense under this Plan, you cannot claim a Federal income tax credit or deduction on your return. Participation in this plan is completely voluntary.

---

### III. **ARTICLE - CONTRIBUTIONS; ELECTIONS**

---

#### 01. **How much of my pay may the Employer redirect?**

Each year, we will automatically contribute on your behalf enough of your compensation to pay for the insurance coverage provided unless you elect not to receive any or all of such coverage. You may also elect to have us contribute on your behalf enough of your compensation to pay for any other benefits that you elect under the Plan. These amounts will be deducted from your pay over the course of the year on a per payroll basis.

#### 02. **What happens to contributions made to the Plan?**

Prior to the Plan start date each year, you must decide on the amount of pre-tax dollars you want to contribute to the Plan. It is very important that you make these choices carefully based on what you expect to spend on each covered benefit or expense during the Plan Year. Later, those dollars will be used to pay those expenses as they arise during the Plan Year. In addition, you should also note that any previous benefit payments made from any Account under the Plan that are unclaimed (e.g., uncashed benefit checks) at the end of the Plan Year following the period of coverage in which the qualifying expense was incurred will be forfeited to the Employer, including those unused funds remaining in your Health Flexible Spending Account after the 2.5 month grace period and any run-out period described in the Article titled: "Benefits". Under the Consolidated Appropriations Act, 2021 for the plan year 2020 and 2021 the Grace Period means the twelve month period after the end of the Plan Year.

For information regarding the administration of contributions in specific accounts under this Plan, please refer to the Article titled: "Benefits".

#### 03. **When must I decide which accounts I want to use?**

You are required by Federal regulations to decide during the enrollment or election period (defined below) prior to the Plan Year start. You must decide which accounts you want and how much you want to contribute to each account.

If you are already covered by any of the insured benefits offered by this Plan, you will automatically become a Participant to the extent of the premiums for such insurance, unless you elect during the election period (defined below) not to participate in the Plan.

#### 04. **When is the election period for our Plan?**

You will make your initial election on or before your entry date. (Please review the Article titled: "Eligibility" to better understand the eligibility requirements and entry date.) Then, for each following Plan Year, the election period is established by the Company and applied uniformly to all Participants. It will normally be a period of time prior to the beginning of each Plan Year. The Company will inform you each year about the election period. (See the Article entitled "General Information About Our Plan" for the definition of Plan Year.)

#### 05. **May I change my elections during the Plan Year?**

Generally, you cannot change the elections you have made after the beginning of the Plan Year. However, there are certain limited situations when you can change your elections.

You are permitted to change elections if you have a "change in status" and you make an election change that is consistent with the change in status. Currently, Federal law considers the following events to be a change in status:

- Marriage, divorce, death of a spouse, legal separation or annulment;
- Change in the number of dependents, including birth, adoption, placement for adoption, or death of a dependent;
- Any of the following events for you, your spouse or dependent: termination or commencement of employment, a strike or lockout, commencement or return from an unpaid leave of absence, a change in worksite, or any other change in employment status that affects eligibility for benefits;
- One of your dependents satisfies or ceases to satisfy the requirements for coverage due to change in age, student status, or any similar circumstance; and
- A change in the place of residence of you, your spouse or dependent that would lead to a change in status, such as moving out of a coverage area for insurance.

In addition, if you are participating in the Dependent Care Flexible Spending Account, then there is a change in status if your dependent no longer meets the qualifications to be eligible for dependent care.

There are detailed rules on when a change in election is deemed to be consistent with a change in status. In addition, there are laws that give you certain other rights to change health coverage for you, your spouse, or your dependents. If you change coverage due to rights you have under the law, then you can make a corresponding change in your elections under the Plan. If any of these conditions apply to you, you should contact the Administrator.

If the cost of a benefit provided under the Plan increases or decreases during a Plan Year, then we will automatically increase or decrease, as the case may be, your salary redirection election. If the cost increases significantly, you will be permitted to either make corresponding changes in your payments or revoke your election and obtain coverage under another benefit package option with similar coverage, or revoke your election entirely.

If the coverage under a Benefit is significantly curtailed or ceases during a Plan Year, then you may revoke your elections and elect to receive on a prospective basis coverage under another plan with similar coverage. In addition, if the Company adds a new coverage option or eliminates an existing option, you may elect the newly-added option (or elect another option if an option has been eliminated) and make corresponding election changes to other options providing similar coverage. If you are not a Participant, you may elect to join the Plan. There are also certain situations when you may be able to change your elections on account of a change under the plan of your spouse, former spouse or dependent's employer.

These rules on change due to cost or coverage do not apply to the Health Flexible Spending Account, and you may not change your election to the Health Flexible Spending Account if you make a change due to cost or coverage for insurance.

You may not change your election under the Dependent Care Flexible Spending Account if the cost change is imposed by a dependent care provider who is your relative.

In addition, there are laws that give you rights to change group health coverage for you, your spouse, and/or your dependents (i) if you go from working 30 or more hours a week to working less than 30 hours a week and you intend to enroll in certain other health plans, or (ii) if you are eligible to enroll in and intend to enroll in certain Marketplace Qualified Health Plans. If you change coverage due to rights under these laws, then you can make a corresponding change in your elections under the Plan. If any of these conditions apply to you, you should contact the administrator.

Health Savings Account Changes; A participant who has elected to make elective contributions under such arrangement may modify or revoke the election prospectively, provided such change is consistent with Code Section 223 and the Treasury regulations thereunder.

**06. May I make new elections in future Plan Years?**

Yes. For each new Plan Year, you may change the elections that you previously made. You may also choose not to participate in the Plan for the upcoming Plan Year. If you do not make new elections during the election period before a new Plan Year begins, the Company will assume you want your elections for insured benefits only to remain the same and you will not be considered a Participant for the non-insured benefit options under the Plan for the upcoming Plan Year.

## IV. ARTICLE - BENEFITS

### 01. What benefits are offered under the Plan?

You may choose to receive your entire compensation or use a portion to pay for benefits under this plan.

### 02. Health Flexible Spending Account

The Health Flexible Spending Account enables you to pay for expenses allowed under Sections 105 and 213(d) of the Internal Revenue Code and that are not covered by our insured medical plan, and to save taxes at the same time. The Health Flexible Spending Account allows you to be reimbursed by the Employer for out-of-pocket medical, dental and/or vision expenses incurred by you and your dependents.

Drug costs, including insulin, may be reimbursed. You may not, however, be reimbursed for the cost of other health care coverage maintained outside of the Plan, or for long-term care expenses. A list of covered expenses is available from the Administrator.

The most that you can contribute to your Health Flexible Spending Account for the Plan Year is \$2,750.00. The maximum limit may increase from year-to-year pursuant to Section 125(i)(2) of the Internal Revenue Code.

In order to be reimbursed for a health care expense, you must submit to the Administrator an itemized bill from the service provider. The Company will also provide you with a debit card to use to pay for qualified medical expenses. The Administrator will provide you with further details about the debit card. Amounts reimbursed from the Plan may not be claimed as a deduction on your personal income tax return. As required by law, reimbursement from the fund shall be paid at least once a month. Expenses under this Plan are treated as being "incurred" when you are provided with the care that gives rise to the expenses, not when you are formally billed or charged, or you pay for the medical care.

You may be reimbursed for expenses for any child until the end of the calendar year in which the child reaches age 26. A "child" is a natural child, stepchild, foster child, adopted child, or a child placed with you for adoption. If a child gains or regains eligibility due to these new rules, that qualifies as a change in status for purposes of coverage changes.

**Newborns' and Mothers' Health Protection Act:** Group health plans generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

**Women's Health and Cancer Rights Act:** This plan, as required by the Women's Health and Cancer Rights Act of 1998, will reimburse up to plan limits for benefits for mastectomy-related services including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). Contact your Plan Administrator for more information.

### 03. Dependent Care Flexible Spending Account

The Dependent Care Flexible Spending Account enables you to pay for out-of-pocket, work-related dependent day-care costs with pre-tax dollars. If you are married, you can use the account if you and your spouse both work or, in some situations, if your spouse goes to school full-time. Single employees can also use the account.

The most that you can contribute to your Dependent Care Flexible Spending Account for the Plan Year is \$5,000.00.

An eligible dependent is someone for whom you can claim expenses on Federal Income Tax Form 2441 "Credit for Child and Dependent Care Expenses." Children must be under age 13. Other dependents must be physically or mentally unable to care for themselves. Dependent Care arrangements which qualify include:

- a. A Dependent (Day) Care Center, provided that if care is provided by the facility for more than six individuals, the facility complies with applicable state and local laws;
- b. An Educational Institution for pre-school children. For older children, only expenses for non-school care are eligible; and

c. An "Individual" who provides care inside or outside your home: The "Individual" may not be a child of yours under age 19 or anyone you claim as a dependent for Federal tax purposes.

You should make sure that the dependent care expenses you are currently paying qualify under our Plan.

The law places limits on the amount of money that can be paid to you in a calendar year from your Dependent Care Flexible Spending Account. Generally, your reimbursements may not exceed the lesser of: (a) \$5,000.00 (if you are married filing a joint return or you are head of a household) or \$2,500 (if you are married filing separate returns); (b) your taxable compensation; (c) your spouse's actual or deemed annual earned income (a spouse who is a full time student or incapable of caring for himself/herself has a deemed monthly earned income of \$250 for one dependent or \$500 for two or more dependents).

Also, in order to be able to exclude from your income the reimbursements made to you from this account, you must provide on your tax form for the year the name, address, and in most cases, the taxpayer identification number of the service provider, as well as the amount of such expense. In addition, Federal tax laws permit a tax credit for certain dependent care expenses you may be paying even if you are not a Participant in this Plan. You may save more money if you take advantage of this tax credit rather than using the Dependent Care Flexible Spending Account under our Plan. Consult with your tax adviser for further information.

#### 04. **Premium Expense Account**

A Premium Expense Account allows you to use tax-free dollars to pay for certain premium expenses under various group insurance programs the Company offers you. These premium expenses include:

- Health care premiums under our insured group medical plan
- Dental insurance premiums
- Vision insurance premiums
- Cancer insurance premiums
- Accidental death and dismemberment insurance premiums
- Health Savings Account Contributions

Under this Plan, the Company will allocate the pre-tax premium withholding to the accounts established under the Plan pursuant to the Participants' elections. Certain limits on the amount of coverage that can be paid through pre-tax premiums may apply.

The Company may terminate or modify Plan benefits at any time, subject to the provisions of any insurance contracts providing benefits described above. The Company will not be liable to you if an insurance company fails to provide any of the benefits described above. Also, your insurance will end when you leave employment, are no longer eligible under the terms of any insurance policies, or when insurance terminates.

Any benefits to be provided by insurance will be provided only after (1) you have provided the Administrator the necessary information to apply for insurance, and (2) the insurance is in effect for you.

If you cover your children up to age 26 under your insurance, you can pay for that coverage through the Plan.

## **V. ARTICLE - BENEFIT PAYMENTS**

---

### **01. When will I receive payments from my accounts?**

During the course of the Plan Year, you may submit requests for reimbursement of expenses you have incurred. Expenses are considered "incurred" when the service is performed, not necessarily when it is paid for. The Administrator will provide you with acceptable forms for submitting these requests for reimbursement. If the request qualifies as a benefit or expense that the Plan has agreed to pay, you will receive a reimbursement payment soon thereafter. Remember, these reimbursements which are made from the Plan are generally not subject to federal income tax or withholding. Nor are they subject to Social Security taxes. Requests for payment of insured benefits should be made directly to the insurer. You will only be reimbursed from the Health Flexible Spending Account or Dependent Care Flexible Spending Account to the extent that there are sufficient funds in the Account to cover your request.

### **02. What happens if I don't spend all Plan contributions during the Plan Year?**

If you have unused contributions in your account at the end of the current Plan Year, those monies will be forfeited to the Employer. Obviously, qualifying expenses that you incur late in the Plan Year for which you seek reimbursement after the end of such Plan Year will be paid first before any amount is forfeited.

If you have unused contributions in your Health Flexible Spending Account at the end of the current Plan Year, you can continue to receive reimbursement for expenses incurred during the first 2.5 months immediately following the end of the Plan year, until such unused funds are depleted. All claims must be submitted no later than 90 days after the end of the plan year.

For the Dependent Care Flexible Spending Account, you can continue to receive reimbursement for expenses incurred during the first 2.5 months immediately following the end of the Plan year, until such unused funds are depleted. All claims must be submitted no later than 90 days after the end of the plan year.

If you move to a Health Savings Account (HSA) at the end of the Plan year, you will not be eligible to make any HSA contributions before the first of the month following the end of the 2.5 month Grace Period. If a Participant ceases to be a Participant any time prior to the end of the Plan Year, he is not eligible to take advantage of the Grace Period.

Because it is possible that you might forfeit amounts in the Plan if you do not fully use the contributions that have been made, it is important that you decide how much to place in each account carefully and conservatively. Remember, you must decide which benefits you want to contribute to and how much to place in each account before the Plan Year begins. You want to be as certain as you can that the amount you decide to place in each account will be used up entirely.

### **03. Family and Medical Leave Act (FMLA)**

If you take a leave under the Family and Medical Leave Act, you may continue, revoke or change your existing elections for health insurance and the Health Flexible Spending Account. If your coverage for these benefits terminates, due to your revocation of the benefit to your non-payment of contributions, you will be permitted to reinstate coverage for the remaining part of the Plan Year upon your return. You can resume your coverage at its original level and make payments for the time that you are on leave. For example, if you elect \$1,200 for the year and are out on leave for 3 months, then return and elect to resume your coverage at that level, your remaining payments will be increased to cover the difference – for example, from \$100 per month to \$150 per month, etc. Alternatively your maximum amount will be reduced proportionately for the time that you were gone. For example, if you elect \$1,200 for the year and are out on leave for 3 months, your amount will be reduced to \$900. The expenses you incur during the time you are not in the Health Flexible Spending Account are not reimbursable.

If you continue your coverage during your unpaid leave, you may pre-pay for the coverage, you may pay for your coverage on an after-tax basis while you are on leave, or you and your Employer may arrange a schedule for you to "catch up" your payments when you return.

### **04. Uniformed Services Employment and Reemployment Rights Act (USERRA)**

If you are going into or returning from military service, you may have special rights to health care coverage through your Health Flexible Spending Account under the Uniformed Services Employment and Reemployment Rights Act of 1994. These rights can include extended health care coverage. If you may be affected, ask your Administrator for further details.

### **05. What happens if my employment terminates?**

If you terminate employment during the Plan Year, your right to benefits will be determined in the

following manner:

- a. You will remain covered by insurance, but only for the period for which premiums have been paid prior to your termination of employment.
- b. You will still be able to request reimbursement for qualifying dependent care expenses up to 90 days after the date of termination from the balance remaining in your Dependent Care Account at the time of termination of employment. However, no further salary redirection contributions will be made on your behalf after termination.
- c. Upon your termination of employment, your participation in the Health Flexible Spending Account will cease, and no further salary redirection contributions will be contributed on your behalf. However, you will be able to submit, within 90 days after the date of termination, claims for health care expenses that were incurred before the end of the period for which payments to the Health Flexible Spending Account have already been made.

06. **Will my Social Security benefits be affected?**

Your Social Security benefits may be slightly reduced because when you receive tax-free benefits under our Plan, it reduces the amount of contributions that you make to the Federal Social Security system as well as the Company contributions to Social Security on your behalf.

## **VI. ARTICLE - HIGHLY COMPENSATED AND KEY EMPLOYEES**

---

### **01. Do limitations apply to highly compensated employees?**

Under the Internal Revenue Code, highly compensated employees and key employees generally are Participants who are officers, shareholders or are highly paid. You will be notified by the Administrator each Plan Year whether you are a highly compensated employee or a key employee.

If you are within these categories, the amount of contributions and benefits for you may be limited so that the Plan as a whole does not unfairly favor those who are highly paid, their spouses or their dependents. Federal tax laws state that a plan will be considered to unfairly favor the key employees if they as a group receive more than 25% of all of the nontaxable benefits provided for under our Plan.

Plan experience will dictate whether contribution limitations on highly compensated employees or key employees will apply. You will be notified of these limitations if you are affected.

---

**VII. ARTICLE - PLAN ACCOUNTING**

---

**01. Periodic Statements**

Periodically during the Plan Year, the Administrator will provide you with a statement of your account that shows your account balance. It is important to read these statements carefully so you understand the balance remaining to pay for a benefit. Remember, you want to spend all the money you have designated for a particular benefit by the end of the Plan Year.
