Important Information When Considering Portability Coverage

When your group term life insurance coverage ends, either because your employment has terminated or you no longer are eligible to participate in your employer’s group life policy, you have two choices for continuing your life insurance coverage: Portability or Conversion. While there are a number of differences between portability and conversion, some key considerations are:

- **Portability** allows you and your dependents to continue (or “port”) your Life and/or AD&D coverage at group rates. The ported coverage will be subject to the same provisions contained in your employer’s group life insurance policy. **Importantly, you cannot port coverage for anyone who has an injury or sickness which has a material effect on life expectancy.**

- **Conversion** allows you and your dependents to purchase individual life insurance policies (but not AD&D) at rates that may be higher than portability rates. The conversion policies you choose will not contain the exact same coverage you had under your employer’s group life insurance policy. **Unlike portability, conversion is available even if you or your dependents have a sickness or injury which has a material effect on life expectancy.**

If you believe Portability is right for you, read the information below to determine whether you and your dependents are eligible to port your coverage.

**PORTABILITY COVERAGE IS NOT AVAILABLE FOR ANYONE WITH AN INJURY OR SICKNESS WHICH HAS A MATERIAL EFFECT ON LIFE EXPECTANCY.** This means individuals diagnosed with, or having received medical advice or sought treatment for, any of the following injuries or sicknesses in the past 10 years cannot elect this coverage:

<th>Acquired immune deficiency syndrome (AIDS)</th>
<th>Leukemia, lymphoma or any cancer other than basal or squamous cell carcinoma of the skin</th>

If you are not sure whether anyone applying for this coverage has an injury or sickness in the list above, then attach to this election form the name of the individual with the injury/sickness, his/her relationship to you, a description of the condition, and any current medications. Unum will review the information provided and let you know whether portable coverage is an option.

**Important:** When a life insurance claim is submitted to Unum on an individual who died within two years of the date that portability coverage became effective, Unum reviews medical records to determine whether the deceased individual was eligible for portability. If Unum determines the deceased individual wasn’t eligible for portability due to an injury or sickness which had a material effect on life expectancy, the beneficiary will not receive the portability amount elected. Instead, the beneficiary will receive a significantly reduced benefit (or possibly no benefit at all). Please see the Portability section of your employer’s group policy for an explanation of how the benefit may be reduced.

If after reading the information on this page you believe you and/or your dependents aren’t eligible to elect portability coverage, remember that you and your dependents may qualify for conversion coverage. Contact your employer for the conversion application form and rates.

If you believe you and/or your dependents are eligible for portability, continue to page 2.
Important Information

What type of coverage can be ported?

- **Basic Life** is insurance that your employer provided for you when you were in active employment.
- **Supplemental Life** is insurance elected by you for which you paid the premiums when you were in active employment.
- **AD&D** is Accidental Death & Dismemberment coverage and may not exceed Life coverage.

What are your employer’s responsibilities?

- Fully complete Section 1 on page 3 of this election form and provide it to the employee. Incomplete election forms may result in a denial of coverage.
- Provide the portability rate table to the employee.

What are your responsibilities as the employee?

- Complete Section 2 on page 3 and the Beneficiary Designation Form on page 4. Incomplete forms may be denied.
- Portable coverage is available in amounts up to your current coverage amounts without evidence of insurability—but cannot exceed $750,000 across all Unum Life and AD&D coverages.
- If you wish to elect coverage in an amount other than your current coverage amount, provide the requested amounts. Coverage is subject to the minimum and maximum limits provided in the employer’s policy. Contact your employer for a copy of the group life insurance policy.
- An initial premium payment must be submitted with this election form within 31 days from the date your coverage ends.
- Please remember to (1) include the initial premium payment; (2) sign and date page 3 of this election form; (3) designate a beneficiary on page 4; and (4) retain a copy of this entire form for your records.
- Mail pages 3 and 4 of this election form and your initial premium payment to the address listed at the top of page 3.

What should you know when completing your Beneficiary Designation Form?

- **Primary Beneficiary(ies)** means the person(s) you choose to receive your insurance benefits. Please specify the percentage of the benefit you want paid to each beneficiary; these percentages should total 100%. If any primary beneficiary is disqualified or dies before you, his/her percentage of the benefit will be paid to the remaining primary beneficiary(ies).
- **Contingent Beneficiary(ies)** means the person(s) you choose to receive your insurance benefits only if all primary beneficiaries are disqualified or die before you. Please specify the percentage of the benefit you want paid to each beneficiary; these percentages should total 100%. If any contingent beneficiary is disqualified or dies before you, his/her percentage of the benefit will be paid to the remaining contingent beneficiary(ies).
- **Minor Beneficiary(ies)** – When you designate minors as beneficiaries, it is important to understand that insurance benefits may not be released to a minor child. They may, however, be paid to a child’s court-appointed financial guardian. The regulations governing minor beneficiaries vary by state.
- **Trust** – You may designate a valid trust as a beneficiary.
- **Updates to Your Beneficiary Designation** – You can change your beneficiary designation at any time. You may wish to review your designation periodically.
- **Consult an Attorney** – This information is not intended to be relied on as legal advice. You may wish to get the assistance of an attorney to help ensure your beneficiary designation correctly reflects your intentions.
