**ARKANSAS STATE UNIVERSITY SYSTEM  
BOARD OF TRUSTEES**

A Resolution Recognizing the Significant Contributions of  
Dr. Robert (Robin) L. Myers  
to Arkansas State University-Mountain Home

**WHEREAS**, the Board of Trustees has retained unto itself the authority to name facilities of campuses within the Arkansas State University System in honor of individuals who have significantly distinguished themselves through service to and support of the System; and

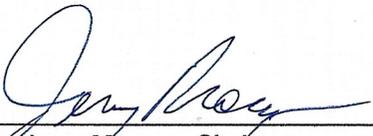

**WHEREAS**, Dr. Robin Myers has served with distinction as Chancellor of ASU-Mountain Home for more than a decade, from July 16, 2012, until his retirement on July 31, 2023; and

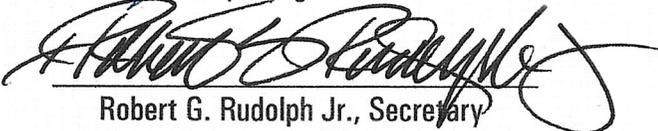

**WHEREAS**, Dr. Myers' innovative leadership provided the impetus for the development of new technical programs at ASUMH and the creation of the ASUMH Technical Center. His vision was the motivating force behind a rebranding initiative, which resulted in the emergence of a unique, stylized logo for the institution, as well as a mascot, the TrailBlazer owl. Dr. Myers' responsible, caring leadership ensured the safe and effective continuity of services for faculty, staff, and students during the pandemic, a disruptive and difficult global health crisis. His commitment to community partnerships led to the creation of a disc golf course; a first-class, all-purpose walking/biking trail; and the community-wide holiday festival, Coulter Celebration of Lights, on the ASUMH campus;

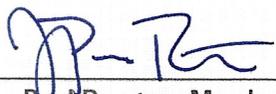

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Trustees of the Arkansas State University System, that the Arkansas State University-Mountain Home Technical Center, located at 4034 US-62 West, Mountain Home, Arkansas, shall be known henceforth as the:

**Dr. Robert L. Myers Technical Education Campus**
